AGENDA ITEM WORDING: Approval of a Task Order with T.Y. Lin International (TY Lin) for Professional Design and Permitting Services for the Stock Island Detention Center Main Electrical Upgrades Project in the amount of $90,500.00. This work will be funded out of the Corrections Facilities Budget.

ITEM BACKGROUND: The electrical system at the Monroe County Detention Center is nearly 30 years old. Due to multiple electrical outages, an emergency study was performed by Schneider Electric to evaluate the conditions of the building. A report was completed in January and provided to the County which outlined corrective actions needed in order to ensure the safety of inmates, employees and visitors. TY Lin currently has a continuing services contract with the County and has submitted a proposal for design services to address the corrective actions recommended in the electrical study. This Task Order will provide Monroe County with design phase drawings and services needed in order to bid the construction phase of this project.
