AGENDA ITEM WORDING: Approval of a resolution to adopt tentative solid waste collection rates for commercial waste generators for Fiscal Year 2019/2020

ITEM BACKGROUND: The County’s four Franchise Agreements allows for an annual Consumer Price Index (CPI) adjustment to the commercial collection rates. The CPI adjustment is 1.2%. The Commercial Collection, Disposal and Recycling Rates were initially established in the Amended and Restated Solid Waste and Recycling Collection Franchise Agreement between Monroe County and Waste Management of Florida, Inc. (WM), Marathon Garbage Services, Inc. (MGS), Keys Sanitary Services (KSS) and Ocean Reef Club, Inc. (Ocean Reef). Each year, as per the Agreement, the commercial and recycling rates are adjusted by the Consumer Price Index. The County will publish notice of the proposed commercial rates and notice of the upcoming September 5, 2019 public meeting to adopt the final 2019-2020 Commercial and Recycling rates as part of the budget process.

PREVIOUS RELEVANT BOCC ACTION: The BOCC approved the Amended and Restated Solid Waste and Recycling Collection Franchise Agreements between WM, MGS, KSS on May 21, 2014 and Ocean Reef on August 20, 2014. The Commercial Rates set forth in the Agreements are also approved annually by the BOCC through a contract amendment with each Franchisee.
