Agenda Item Number: T.1
Agenda Item Summary #5945

BULK ITEM: Yes  DEPARTMENT: Engineering / Roads

TIME APPROXIMATE: N/A  STAFF CONTACT: Clark Briggs (305) 295-4306

AGENDA ITEM WORDING: Approval to engage in direct negotiation process in accordance with Monroe County Purchasing Policy Chapter 3 Competitive Solicitation Process Section D. Rejection of Responses for the Hurricane Irma Roadway Repairs I Upper Keys Project.

ITEM BACKGROUND: The Hurricane Irma Roadway Repairs I Upper Keys Project was advertised for bids on two separate occasions January 12, 2019 and June 8,2019. At the February 27, 2019 bid opening we received one bid which was significantly higher that the construction cost estimate and did not meet FEMA cost reasonableness. At the second bid opening on July 10, 2019 there were no timely bids received.

This project will be submitted for FEMA reimbursement and therefore federal procurement regulations apply. 2 CFR 200.320(f)(4) allows for procurement by noncompetitive proposals when after soliciting a number of sources, competitive is determined inadequate. As noted above, this project has been bid twice, through the normal competitive solicitation process which includes posting to DemandStar where numerous vendors are solicited. Since no viable response was received through the competitive solicitation process, competitive is determined to be inadequate for this project.

The County therefore seeks to directly negotiation with contractor(s) to complete the project. If negotiations are successful, the contract will be brought back before the Board for approval.

PREVIOUS RELEVANT BOCC ACTION: The BOCC approved Task Order for Engineering Design and Permitting Services with CSA Central, Inc. for the Hurricane Irma Roadway Repairs Project at the May 2018 meeting.

CONTRACT/AGREEMENT CHANGES: N/A

STAFF RECOMMENDATION: Authorize Staff to engage in direct negotiation for the Project.
